What do you need:

- Clean jar
- Paint
- Brush/sponge
- Labels/stickers
- Pen
- Tealight

1

Draw a bird shape on the label

2

Stick bird shape onto a clean jar, add some wing shapes too

3

Cover jar in paint and wait for it to dry

4

Use the end of the paint brush to add white dots for snowflakes

5

Wait for the snowflakes to dry then peel off the bird shape carefully

6

Paint inside the bird shape to make your robin

7

Draw round the shape and add features like eyes, beak and claws

8

Put a tealight inside and Tada!

A robin lantern!
